

# Participant Checklist Bahar Bayram 2016

Thank you for booking into the Bahar Bayram Middle Eastern Dance and Music camp!

***It is essential that you read ALL the information provided below and print it out for your reference! Please also refer to the FAQs pages for more information.*** In this Participant Checklist we have included information that will make your journey and stay at Bornhoffen more enjoyable.

All of the Bahar Bayram organisers and teachers are very excited about this year's camp. Once again, we are looking forward to seeing all our friends, meeting new friends and providing participants with an experience to remember!

Organisers, camp helpers and teachers are arriving on the afternoon of the 12 October so that we have time to set up before all of you arrive. This means that if you need to email us prior to the camp, please do so by the 11 October. You can call us on our mobiles once we are there, but we won't be able to respond to emails.

Please aim to arrive by 2pm on Wednesday. Registration is from 2-3pm, followed by meet and greet nibbles and orientation (a must for all campers) from 3 - 4pm. If you arrive early you can always visit Natural Bridge beforehand or grab some lunch in Numinbah, but please don't ask the caterer or any of the Bornhoffen PCYC staff for help – wait until committee members are there to assist you!

Upon your arrival at the camp, please go to the Registration desk in Hall 1 and we will give you more information to help you to settle in.

**If you have registered for a lift in the Car-pool, it is your responsibility to contact the lift provider and make arrangements with them once we have helped to find you a lift.** Please hang on to their contact details and check in with them at least a week prior to the camp to confirm the arrangements. It makes it much easier for the lift provider and for us if you do, plus ensures your lift!

**Please note: The last petrol is available in Nerang if you are travelling from the North and Murwillumbah if travelling from the South. Make sure you fill up when you get to these places or you'll be stuck at the camp or might not make it!**

Have a safe journey!

## DIRECTIONS TO CAMP BORNHOFFEN

### From M1 Pacific Motorway – heading south

Take Southport Nerang exit (Exit 69)

At traffic lights (straight after exit), turn right onto Price Street/ Southport- Nerang Rd. Continue straight ahead on this road through the built up area of Nerang. This road changes its name to the Nerang-Beaudesert Road (Route 90). Stay on this road all the way to Bornhoffen! You will pass these things:

- ❖ Pass Beaudesert turnoff on right.
- ❖ The road now becomes Route 97 – Nerang-Murwillumbah Road and it is approximately 35 kilometres to Camp Bornhoffen from this point.

**Note: Gold Coast City Council lot numbers appear at entrances to properties – they are on a short pole with white figures on a black background. Camp Bornhoffen is 3510 Nerang-Murwillumbah Road. This means that it is 35.10kms from the beginning of the road. You can keep track of your progress as you drive towards Camp Bornhoffen by keeping an eye out for these lot numbers.**

- ❖ Pass the turnoff for the Beechmont Road on right (turnoff for Binna Burra)
- ❖ Pass the Hinze Dam turnoff on your left.
- ❖ This section of the road is quite hilly and windy – take care.
- ❖ Pass Springbrook turnoff on left (lot number 1792) Do not go towards Springbrook – stay on the same road!
- ❖ Pass through the tiny township of Numinbah (School of Arts hall on right).
- ❖ Pass Numinbah Correctional Centre on right.
- ❖ Pass the Natural Bridge National Park turnoff on left.

Camp Bornhoffen is on your right, approximately 2.5kms past the Natural Bridge turnoff. Camp Two is the first driveway you come to. Camp One is the second driveway you come to.

### Getting there from the South – heading North

The easiest way to get to Bornhoffen from the South, is to travel to Murwillumbah and get onto the Nerang- Murwillumbah Rd heading north. Camp Bornhoffen is around 30 kilometres from Murwillumbah and close to the Qld/ N.S.W. border. It will be on your left just before Natural Bridge.

Do not go towards Springbrook! The camp is in the Numinbah Valley, Natural Bridge and there is no need to go up the treacherous mountain towards Springbrook!

# Bahar Bayram Participant Checklist

In order to make your stay at the camp as comfortable and fun as possible please bring these things with you, plus anything else you may require.

Accommodation at Bornhoffen is in clean and comfortable dorms/cabins. There are beds for up to 12 in many of the rooms and we will place participants in accommodation that best suits their needs, while also considering the special needs that some of you may have. We will be trying to accommodate everyone with friends, family, partners etc., but you may have to share. We are expecting things to be a little more crowded than last year, but this just means more friends!

Many of the rooms have ensuites, but don't worry if yours doesn't because the shower and toilet facilities are excellent and plentiful.

Walkways are covered and getting around the camp area is easy even in wet weather. You won't need to go out in the rain at night or battle the wild life if you need the bathroom! The space between the 2 camp areas is not covered though, so you may need an umbrella and torch to help with crossing this short distance.

The weather in early spring in South East Queensland is lovely. During the day it is quite warm and can get cool at night. You will need clothes to suit warm weather and cooler evenings. Both closed and open shoes are recommended.
